Stoke Bliss Parish Council - Police Community Report

Report by Cllr. Whybrew

We lost one of our PCSO's this year and Abigail Partridge has been our only contact. However we have just been informed that there is new member of the Tenbury and Martley Safer Neighbourhood Team - Lewis Thomas.

Details and contact info of the new PCSO have been forwarded to each councillor if you need to contact him.

I have asked Abigail to forward to me regular updates of local issues around Stoke Bliss and I will keep everyone informed accordingly.

Our priorities for the next quarter have been carried forward and they are:

Traffic on and around Stoke Bliss - esecially speeding / Farm Thefts //Anti social behaviour,

If any other issues need to be included then please ley me know and I will pass them onto the Police.
